## USER GUIDE CHANGE LOG

<b>Purpose of the Change Log</b>	This change log has been designed to assist your organization with keeping abreast of all changes and updates to the CounselorMax User Guide. Ongoing changes and revisions will be uploaded with a brief description of the change along with the location of where the change will take place within the user guide. This will assist you with pulling only those pages necessary.	<input type="checkbox"/>
<b>REVISIONS/UPDATES</b>		
<b>9/7/10 – <i>New User Guide launched</i></b>	CounselorMax User Guide – This comprehensive User Guide will replace the standard User Manual to include all new enhancements in CounselorMax. There are 13 Chapters describing all functionality of the CounselorMax web application and a special Admin Section for your Agency Administrators.	<input type="checkbox"/>
